Macomb County receives award for financial planning

MOUNT CLEMENS, Mich. – For the 20th consecutive year, Macomb County received a Certificate of Achievement in Financial Reporting from the Government Finance Officers Association (GFOA) of the United States and Canada.

This year's award from the GFOA is for the county's 2004 comprehensive financial report. According to the association, Macomb County demonstrated a spirit of full disclosure, clearly communicated its financial story and motivated users to read the report.

The GFOA is a Chicago-based non-profit professional association serving 15,000 government finance professionals.
